BECAUSE TORRANCE KIDS DESERVE MORE THAN WHAT CALIFORNIA PROVIDES

As a community, we want more opportunities to learn, thrive, compete, and succeed!

YOUR DONATION TO TEF FILLS THE GAP!

Thanks to parents and community members like you, for the past 25 years TEF has been able to provide greatly needed financial support to Torrance Unified for unfunded high priority needs. Some recent TEF contributions include:

- ◆ \$370,000 for equipment, tools, and materials for nine Elementary Science Laboratory Classrooms (and eight more coming!)
- ◆ \$136,000 for 168 STEM Initiative grants for teachers in the Science, Technology, Engineering, and Math—serving 11,000 students.
- ◆ \$278,000 for District-wide WiFi
- ◆ 10 Years of Summer School for 15,000 Torrance students at South Bay Enrichment Academy, staffed by TUSD teachers.
