Did this school receive a TEF STEM Initiative Grant for this program/event last year?

☒ YES

☐ NO

Number of years program/event has been in place at your schools:

X 0 years (new)    \_\_\_\_\_ 1 year    \_\_\_\_\_ 2 or more years

Targeted Grade Level(s) 4-5

Estimated number of participating students: 20-25

Estimated schedule of events and planning (ex: tentative dates for future information meeting, club meeting times, competitions or event dates, etc.)

Go Green: Engineering Recycled Racers is a unit from Engineering is Elementary. Student's will have nine activities to take them through the engineering process of using ordinarily discarded recycled materials to learn how to create their own toy cars. Student's will compete in a Recycled Racer Rally as the culminating activity. Our Environmental Engineering students will engage in activities that are fun, provide open-ended challenges and collaborate in active, problem solving. This will be an excellent activity to share with our VEEEC members (Victor Elementary Environmental Engineering Club).

**wants to celebrate and support grant winners!**

Grant winners are **required to notify** TEF ([Admin@TorranceEducationFoundation.org](mailto:Admin@TorranceEducationFoundation.org)) of future events, competitions, and ceremonies related to the approved program/event. Please give at least two weeks notice.
