

Welcome Back TUSD Families!

The 2020-2021 school year is around the corner and we are here for YOU! Thank you for stepping up as parents, teachers, coaches, nurses, counselors, and administrators, you are all superheroes! These times are tough for all of us, and we at the Torrance Education Foundation (TEF) acknowledge your strength, dedication, and willingness to persevere during a time where we face many unknowns. Thank you for all that you do!

Although the start of school will not look like what we are used to, it will be the safest option for our children and families. The Torrance Education Foundation and the Torrance Unified School District are working together to provide a safe environment and better learning opportunities to your children during these unconventional times.

Wishing you all the best,
